# Why should you apply to our programme?

- Because you want an international career in public service, in private practice, as a scholar or as an advocate
- Because public international law is the bedrock of international relations
- Because theory and practice are intimately related
- Because we favour critical reflections and the meetings of open minds
- Because you want to be well equipped for life-long learning

# Why International Law in Stockholm?

- Stockholm Law has a very well-organized master's programme, and visiting students will get to know both local students and visitors in other programmes.
- Stockholm is a cosmopolitan city with the seat of the government, big lawfirms, global (Swedish) MNEs and several international institutions.
- Stockholm is beautiful, well-functioning and has its own, vast archipelago.
- *[Because you want to participate or volunteer in the 2021 conference of the European Society of International Law.](#)*
